Clinic Assistant answers: please review

These are the 9 answers the online Clinic Assistant gives patients today, written from what you told us and from how the patient portal works. For each one, sign **Approved** or write your **Correction**. Services, branches, opening hours, payments and each patient's own appointments come from your records, so they are not on this page.

1 How long has the clinic been operating?

The clinic has been caring for patients since 1981.
